

Generic Ready-Design Options

In order to help assist you with your artwork, we offer a wide variety of ready-design options for you to choose from. Please look over the next 7 pages and get an idea of what you would like your custom printed item to look like. Keep an eye out for this year's **NEW** designs, indicated with a **NEW!** symbol. If you would like to change the greeting, text color, font, or if you see a message on a design that you would like to see on the background of another, we can make those adjustments for you. These ready-designs are a great starting point for creating your custom printed item.

1. ARTWORK

Send us your logo and your ready-design option name, along with any additional instructions. Our in-house art team will create a design to your specifications and send you a proof.

2. REVISIONS

After receiving your proof, please review it closely to see if it meets your specifications. If you need revisions, you can email us with your changes and we will promptly send new proofs for your approval.

Revisions:

Please change logo color to white on the packaging

3. APPROVAL

Once the design meets your approval, we will move your order into production. Your full-color printed item is sure to be a great complement to your chocolate.
